FIVE GENERATIONS

OPAL VANFOSSEN MAKES THE FIFTH IN VANFOSSEN FAMILY.

IS TWO MONTHS OLD

Had Her Picture Taken in Maryville With Great-Grandmother and Others.

Opal Corene VanFossen of Bolckow, a two-months-old baby girl, the daughter of Mr. and Mrs. Ralph VanFossen, had her picture taken in Maryville Monday afternoon, with four preceding generations of her family on her mother's side of the house, both maternal and paternal.

In the picture with the baby are her mother, Jessie Rasco VanFossen, 19 years old; the grandfather, Lee Rasco of Barnard, 45 years old; the great-grandfather, James H. Rasco of Barnard; 71 years old; the great-great-grandfather, Samuel H. Rasco of Barnard, 92 years old. The grandmother, Mrs. Lee Rasco of Barnard, 38 years old; the great-grandmother (the mother of Mrs. Rasco), Mrs. Charles Dougan of Bolckow, 65 years old, and the great-great-grandmother, Mrs. Nancy Dougan of Bolckow, 84 years old.

The little girl who begins the fifth generation, Opal Corene VanFossen, was born in Nodaway county, Missouri, November 10, 1913, near the birthplace of her grandmother, Della Dougan Rasco, one-half mile east of the Platte Valley church, where she now lives.

Jessie Rasco VanFossen was born in Nodaway county, Missouri, November 20, 1895, two and three-fourths miles northeast of Barnard, living in various places in that vicinity until December 19, 1912, when she was married to Ralph S. VanFossen. They are now living eight miles southeast of Barnard, near Cawood.

Lee Rasco was born in Fremont county, Iowa, November 9, 1868, and lived there till 1889, when he moved with his father, J. H. Rasco, to Nodaway county, where he has since lived. Was married to Della E. Dougan, December 27, 1893.

James H. Rasco was born in Caswell county, North Carolina, June 2, 1843. Moved to Ray county, Missouri, with his father, S. H. Rasco, and lived at home until the year 1862, when he enlisted for service in the civil war on February 7 of that year, in the Twenty-Fifth Missouri Infantry, later consolidating with the First Missouri Engineer volunteers. He was discharged February 13, 1865, at Buford, S. C. Returning to Missouri he married and lived in Nodaway county two years, and then moved to Fremont county, Iowa. After living there twenty years he moved back to Nodaway county, near Barnard, where he has since lived.

S. H. Rasco was born in Caswell county, North Carolina, February 24, 1822. He moved from there to Ray county, Missouri, November 15, 1845, and from there to St. Joseph, in Buchanan county in 1854, living in the country near for six years. He then moved to Nodaway county, near where Hopkins now is, then to the Uncle Noble Fair farm, three and one-half miles west of Barnard. He lived on other places in the vicinity of Barnard, finally locating on Long Branch, four and one-half miles northeast of Barnard, where he lived for forty years, then moved to Barnard, where he has since resided.

Mr. Rasco will be 92 years old in February. He is in fine vigor physically and mentally, not the least sign of having lived over ninety years. He is of very happy temperament and will be a wholesome playmate for his great-great-granddaughter in a few months when she begins to learn how to use her friends.

CHURCHES ACTING TOGETHER.

Local Churches Co-Operating With Nation-Wide Movement.

This season is witnessing an unusual illustration of the fundamental unity among Protestant Christians of all denominations. The leaders of nearly fifty of these denominations, including all of the larger ones, have entered upon a combined effort to enlist millions more of the rank and file of church members to do something to propagate the Christian religion, in addition to going to church themselves and helping to pay the local church expenses. The campaign is to head up next March in a simultaneous nation-wide canvass for all missions and benevolences on the part of all churches of all denominations. The men who have been studying the

returns say that only about one-third of the Protestant church members have yet begun to give anything to plant new churches in the needy places in America and among the non-Christian nations of the world. This leaves probably fourteen or fifteen millions of church members yet to be enlisted as givers. The organized personal canvass is the method proving most successful in getting many thousands of these people to be regular subscribers and givers.

The promoters of this effort, which goes under the name of the "United Missionary Campaign," point out the fact that scarcely one-half of the adult population of America are members of any church. The Protestant churches have about twenty-three millions of members in the aggregate, and the Roman Catholic church reports about thirteen millions, including all baptized children. This leaves about thirty-five millions of people over 10 years of age who are not members of any church. Included in this unchurched population are multitudes of foreign speaking people, speaking scores of different languages. There is therefore plenty of room for aggressive home missionary work on the part of all the churches.

It is also a time of unusual opportunity to propagate Christianity among non-Christian nations. The foreign missionary work carried on for the past hundred years has been one of the principal causes of the great changes now taking place in Turkey, Persia, India, Japan, China and other countries.

The foreign missionary enterprise has grown until it is a tremendous world-wide business, in which over 24,000 men and women missionaries are engaged and for which the Protestant churches of Christendom contribute over thirty million dollars annually. Of this total, fully one-half comes from the United States, which has come to be recognized as the most important single factor in the world-wide extension of the Christian faith.

A native church of nearly three millions of communicant members has been built up, with four millions more of adherents. About six thousand of these natives have been prepared by long courses of training for the Christian ministry and are now ordained pastors of their own people. But from every field there are calls for great advances. The missionaries abroad believe that their total force should probably be doubled in order to meet worthily the present opportunity. Nearly 200,000 persons per year are now being received into church membership from these fields, but this number could probably be doubled if there were workers enough.

In view of these great needs the home and foreign missionary leaders of the United States and Canada are engaging this year in a great combined effort to interest and enlist all churches more generally and more fully in this missionary business. They have requested and secured the laymen's missionary movement to take general charge of the organization of the field campaign. The missionary education movement has prepared an exhibit of literature which will be used at all of the conferences. The plan is to hold interdenominational conferences, lasting two days each, in as many cities and towns as possible. Twenty-one teams of speakers have been organized for the United States alone, in addition to several teams in Canada. Some of these teams will conduct as many as forty different conferences. About three hundred conferences have already been held, and preliminary arrangements for others are going forward in nearly all sections of the country. The total number of conferences will reach over five hundred. All of them are for the one purpose of informing church people of the crying need of a great advance in mission work both at home and abroad, together with an exploitation of those methods that have proved most effective in enabling churches and whole cities and denominations to multiply their missionary output. It is also found that the churches that do most for others are the best off themselves. The churches that are self-centered are apt to decline. It seems to be a normal and necessary fact that "the light that shines farthest, shines brightest nearest home."

The Maryville conference will be held Tuesday and Wednesday, January 27 and 28. The conference territory will be Nodaway and Atchison counties.

Mrs. E. L. Andrews went to Trenton Tuesday on a week's visit to her daughter, Mrs. Clare Andrews.

Miss Katie Lee Allen went to Bolckow Tuesday morning for a few weeks' stay.

SELECT MEMBERS

MR. L. M. ECK DECIDED ON TEAM AFTER MUCH PRACTICE.

PLAY TARKIO FRIDAY

First Game at Home Will Be With Warrensburg on January 22 at the Normal Gym.

The members of the basket ball team of the Normal school was announced Monday evening by Athletic Director L. M. Eck. They are Fred Vandersloot and Harvey Watson, forwards; Orlo Quinn, center; Charles McReynolds and Walter Scott, guards. The other members of the first team squad are Halley Ford, Paul Powell, Forrest Gooden, James Jones and Otto Miller. These selections were made by Mr. Eck after a number of the boys have spent some weeks in practice games.

The first game for the boys will be the one at Tarkio Friday night, when they meet the strong Tarkio college team. Six members will make the trip. Tarkio has a very good team and are out after the game. The Maryville boys are also after this game and are in good form.

The first game to be played at home will be the one with Warrensburg normal team on Thursday evening, January 22, at the Normal gym.

Season tickets are now on sale for these basket ball games to be played at home. There are to be seven games and a season ticket will cost you \$1.

A GREAT CORN COUNTRY

What One Writer Says About This Community—Tells of the Corn Show at Whitesville.

Joseph E. Wing in the Breeder's Gazette of Chicago, writes as follows on "Missouri Corn Show."

If one were to put the compass point at St. Joseph, Mo., and draw a circle with a radius of 100 miles, he would take in a body of marvelously good soil, a region of rare picturesque beauty. Other lands one can find that are as rich, but they are more or less flat lands. Its fame is in its blue grass, as well as in its wheat and corn, and as I write—December 12—the blue grass is green and lush on the hill-sides, while horses nose away the frost to bite its succulent blades.

The settlers in this region came in considerable numbers from Kentucky and Virginia, and from Ohio, Indiana and Illinois, while few indeed among them are of foreign birth. Rural Americans they remain, of the best type. It is in no way a new land, yet one sees here little sign of soil exhaustion. Doubtless on these lime-impregnated hill slopes alfalfa would grow woever every acre, so that we may confidently look to see the present degree of fertility increased. Today they are only fairly insistent on hauling out and applying their farm manures, yet the look of the fat corn shucks and the thick carpet of deep green wheat tell eloquently that soil exhaustion is not near.

To see the corn show at Whitesville was my errand. The narrow street was all acoke with vehicles and the sidewalks full of people. In a great hall over the stores we found long tables set for the corn show dinner. They fed all who came, and some in the confusion were fed twice. Then we adjourned to a larger hall, where was the corn show. It is open to the world and men came from afar to compete for its \$1,000 in prizes. It was a fine show and there were no amateurish, ill-assorted lots of corn shown. The largest prize, \$100, was for the best 100 ears; it was won by a boy. That boy, though, took advantage of the other fellows and had applied to his field a fine rain that no one else had got a bit of. The results illustrated the truth that rain water is the best known fertilizer for corn. Afterward there was an auction sale and men bid very high prices for the winning samples. There were lectures on alfalfa growing, which is very easy of accomplishment here, but as yet little attempted, and talks by various men.

It was a great meeting because of its being a community meeting. Men, women and children were all there, all friends, all happy in meeting together.

Little Girl Very Ill

The 7-year-old daughter of Mrs. James Berry, living over the Nunnally store, on the north side of the square, is critically ill.

Mr. and Mrs. Harley Teaford were Savannah visitors Tuesday.

TEACHERS TO HELP

SCHOOL BOARD DECIDED TO CO-OPERATE WITH MOTHERS' CIRCLE

A SUBSTITUTE TEACHER

To Be Employed to Fill in While Others Are Observing Methods in Other School Rooms.

At a meeting of the school board Monday night at the office of L. C. Cook, one of the members of the board, the board decided that there should be an organization of the teachers and parents, as was suggested a few weeks ago by the Mothers' Circle of this city. Superintendent Westbrook also recommended that the board adopt the plan. One-fourth hour of each month school hours will be given to the meeting, which each of the teachers of the schools are required to attend. The purpose of the organization is for the mutual relations between the parents and teachers.

Superintendent Westbrook recommended to the board that a substitute teacher be employed for the purpose of substituting for teachers while under the direction of the superintendent such teachers are engaged in the observation and study of discipline and methods of other rooms in the school. The board adopted the recommendation.

The hot water will be installed in the chemical laboratory, domestic science and manual training rooms, boys and girls closets, and in the shower baths in the gymnasium, so the board ordered.

The board approved the following as entitled to be graduated from the high school next week: Laura Craig, Kathryn Carpenter, Gladys Holt, Izora Mutz, Ruth Reuillard, Gladys Roelofs, Hazel Vandervoort, Edna Wilson, Edgar Hull, Kirker Sawyer and Fred Vandersloot.

Meetings Very Successful.

The meetings in progress at the New Hope church near Skidmore are continuing with unabated interest. The pastor, Rev. J. S. Tatton, is conducting the meetings with the assistance of Rev. W. A. Kimbrel, of Madison, Mo., and D. A. Sharp, of Eden, Mo., singer. Ten were received into the church Sunday. The meetings will continue until further notice.

Will Move to Maryville.

Mrs. F. R. Morrissey of St. Joseph has been in Maryville a few days with her husband, Professor Morrissey, a member of the Business college faculty. Mrs. Morrissey will return to Maryville in a few days to make her home. Professor and Mrs. Morrissey have taken rooms with Miss Jennie Vardie in the Hyslop flats, on East Edward street.

Will Meet Granddaughters.

Mrs. D. H. Anderson went to Savannah Tuesday morning for a few days' visit at the home of her son, John Crosby. While there she will meet two granddaughters, who are visiting their parents, Mrs. Asa Breckinridge of New Orleans, La., and Mrs. Coin Crosby of Detroit, Mich.

Visiting Sick Niece.

Mrs. E. F. Klaas of Parnell visited at St. Francis hospital Tuesday forenoon with her niece, Miss Grace DeFrees of Parnell, who was operated on for appendicitis. Miss DeFrees is attending the Normal.

Bought a Farm.

Ray Stewart of near Bedison, has purchased of Jesse Douglas, also of Bedison, his 120 acre farm at \$125 per acre. Mr. Stewart had the opportunity to purchase this farm four years ago at \$80 per acre.

Suits Filed.

Jesse F. Robertson, trustee in bankruptcy vs. S. E. Anson, replevin suit. J. H. Michael vs. Frank M. Grundel, appeal by defendant from justice court. Shinabargar, Blagg & Ellison, attorneys for the plaintiff.

THE W. O. W. BANQUET.

Annual Good Time Will Be Given at the Hall Thursday Evening—Ladies of the Circle Their Guests.

The W. O. W. will hold its annual banquet Thursday evening at the hall. The ladies of the Woodman Circle will be their guests, and the Stanberry and Arkoe lodges have been extended invitations to come.

Card playing and dancing will be the principal amusements. The committee in charge is expecting this to be one of the best times, banquet and all, that the W. O. W. has had.

BOUGHT THE TOGGERY SHOP.

Iowa Man Will Move to Maryville With his Family to Take Charge of New Business.

R. W. Pettit of Indianola, Ia., purchased the Toggery shop, the up-to-date clothing establishment, of Tate Brothers on Monday.

Mr. Pettit will move his family to Maryville in a few days and make his home here.

A. J. Luppold, who has been with the Tate brothers since they opened the store a few years ago, will continue in Mr. Pettit's employ. Many improvements will be made in the store to make it more attractive than the place has been before, although it is recognized as one of the prettiest stores in town.

Tate brothers have not yet made their future plans.

INCOME TAX BLANKS HERE.

Number of Corporations and Also Others Received Them Today—Must Be Returned by March 1.

A number of corporations and also others in Maryville received today corporation tax blanks and income tax blanks to be filled out and be returned to the internal revenue collector at Kansas City by March 1. Failure to do this means a fine for those not complying with the demand.

Recently a deputy internal revenue collector was in Maryville and secured a list of those whom it is believed will be subject to the income tax.

The law is new and it will take some time to get everything in good working order. There is no inclination on the part of the government officials to bother people unnecessarily and this the department is trying to avoid. The officials are compelled to carry out the provisions of the law.

Some of the people who received the blanks were greatly astonished and made the statement they would gladly pay the income tax if their income was the amount required by the law.

Sold Three of His Horses.

Since shipping his horses to Juarez, Mexico, Ben Jones has sold three of his yearling colts that have been in the races. One of them is "Asa Herndon," another "True Lane," and the other one is "Blue Racer." He received the nice sum of \$2,150 for them, and was offered \$1,100 for his yearling, "B. A. Jones," the day she won her first race, but refused it.—Parnell Sentinel.

New Jeweler at Crane's.

Mr. and Mrs. M. R. Smith of Excelsior Springs, Mo., arrived in Maryville Sunday night to make their home. Mr. Smith is the new jeweler at H. T. Crane's, taking the place of F. W. Olney, who has resigned the position on account of his health. Mr. Olney will rest awhile before taking up any other employment.

A Public Installation.

The Eastern Star will publicly install at the Masonic Hall Tuesday evening and all officers-elect are urged to be present. The chapter will meet at 7:30 and the installation ceremonies will be at 8 o'clock.

For Driving on Sidewalk.

Fred Vandersloot was arrested Monday for driving his auto on a sidewalk on Hester street. He pleaded guilty to the charge before Mayor Robey and was fined \$5.00 and costs.

Mrs. Gertrude Mayhew and Mrs. S. H. Roach of Barnard were shoppers in Maryville Monday.

Mr. and Mrs. George R. Butchart of St. Joseph, who have been visiting Mr. Butchart's sister, Mrs. L. S. Yeo, and family, returned home Monday evening.

FOR UNEMPLOYED

EMPLOYMENT BUREAU STARTED BY CHRISTIAN CHURCH.

TWO POSITIONS OPEN

Two Able-Bodied Men Can Secure Them Now—Campaign Started by Ladies' Aid.

Maryville has an employment bureau.

The movement was started Tuesday morning by Rev. Robert L. Finch of the First Christian church, when he called a general meeting of the Ladies' Aid society of the church for a meeting at 2 o'clock in the afternoon.

Rev. Finch and his church people have been planning for some time of work that would mean service to as many people as possible, and the sermon of Rev. Randolph at the Buchanan Street Methodist church Sunday night disclosed the fact that there are a lot of unemployed people in Maryville, heads of families, for whom work must be obtained.

That it is better to hand a man a job of work that will bring him \$2 than to hand him \$2 is the best service one man can render to another, all will agree. No man who has any self-respect wishes to take from anyone any sum of money he has not earned, if he is able-bodied, unless he has been overtaken by misfortune and is in urgent need on account of a family.

Rev. Finch will meet men wanting employment in his study at the church every morning from 8 to 10 o'clock. He has two jobs now waiting for two able-bodied men.

The four departments of the Ladies' Aid society met at the church Tuesday afternoon in response to the call of their pastor, and organized for a campaign to secure work for those unemployed. They will solicit you over the phone this afternoon and evening for various jobs of work you may want done that will require not more than an hour's work, yet will mean much to some one.

The minimum wage to be paid will be 20 cents per hour. Now is your time to secure some one to do various things about the place you have been unable to have done before.

Mothers who went work, but have no place to leave their baby or little children may bring them to the church where they will be cared for while they are working. Some one will be at the church all the time to answer telephone calls.

Now is Maryville's chance to put herself in the line of service. Seek to help some one by giving them something to do and a chance to make themselves of service to others.

Mrs. Denning Very Ill.

Prof. R. L. Denning of St. Joseph arrived Sunday night on account of the serious illness of his mother, Mrs. David L. Denning, who suffered a stroke of paralysis Saturday. Mr. Denning was joined Tuesday by his wife, and a sister, Mrs. W. B. Key of Holdenville, Okla., came Monday night. Mrs. Denning's condition Tuesday was unimproved.

Mr. and Mrs. Ed Neider and daughter of Washington, Kan., who have been visiting the family of Wm. Bosley, went to Parnell Tuesday to visit Dudley Violet and family.

Mr. and Mrs. J. H. Dorrel of Bolckow were business visitors in the city Tuesday afternoon.

FORD INAUGURATES PROFIT-SHARING PLAN

Auto Magnate Says Edison's Efficiency Plan Made Idea Possible.

Detroit, Jan. 13.—Henry Ford today witnessed the introduction into his automobile factory of his twofold plan—the profit sharing scheme, which will make his employees \$10,000,000 richer at the end of a year, and the eight hour shift in place of the present nine hour day.

Mr. Ford voiced his appreciation of Thomas A. Edison's estimate of the Ford profit sharing plan.

"Mr. Edison gives the true explanation of why we are able to inaugurate this plan," he said. "Mr. Edison for years has been working along the lines of efficiency in manufacture which make our plan possible. He was one of the pioneers in this efficiency work."

A crowd of men, estimated at 10,000, seeking employment at the plant started serious rioting when told, after they had stood in the freezing cold for several hours, that work could not be given them. An officer was knocked down, his clothes partially torn off and bricks and other missiles were hurled through the windows and doors of the factory. After water from a fire hose had been turned on the crowd, the rioters dispersed. Five arrests were made.

Mrs. A. M. Hopper of South Main street has been dangerously ill since Sunday night.

Communication

About the Farmers Phone.

Editor Democrat-Forum: What is all of this racket about among the directors of the People's Telephone Union? Since most of the directors have resigned something must be radically wrong. Now, Wm. Mozingo being president of that body, it seems he should give the people an explanation of why these men have resigned and why there is over \$300 of bills due and unpaid, with some \$600 in the treasury. What is his idea for not paying these bills the board has ordered paid?

Is he trying to get us in such shape that the Hanamo company can take us over, as has been predicted for some time? He has depreciated the credit of \$1 to nothing. Today we cannot get one dollar's worth of supplies from any wholesale house without the order is accompanied by the cash. These are some things Mr. Mozingo should explain. He is driving us into incorporation, which I was first opposed to, but now we cannot see any other remedy. We are opposed to tyrant rule any longer. He has made the statement that if they incorporate he would go to the Hanamo system. Joy be with him. There is a nigger in the woodpile, and I think I can see his teeth plainly. He promised that if he was in there he could reduce the expenses one-half. He has failed, and instead he wants to discharge the present manager at \$85 per month and employ one at \$100 per month. Quite a reduction. The only reduction is in our standing. We think there should be a recall in our by-laws, so as to get rid of such men immediately. No longer ago than January 3 he refused to put a motion that was legally seconded, as has been his custom if it did not suit him.

It is time the people were taking this matter seriously.

WILCOX ITEMS.

The Odd Fellows will dedicate their new hall February 5. The dedicatory services will be in the afternoon, followed by a general supper at night, served by the Rebekah lodge ladies. The proceeds will go toward furnishing the new hall. Everybody is invited.

Rev. DeWitt filled his usual appointment at Wilcox last Sunday, both morning and evening. Bro. DeWitt is a very able speaker and anyone attending church cannot help being benefitted by these interesting sermons. Let us not forget the date. The second Sunday in each month, both morning and evening.

Mrs. C. C. Hainline, who has been in poor health for the last three months, is very much improved, and her many friends were glad to see her at church again Sunday.

On last Saturday evening George and Howard Patterson gave a party to their young friends at their home, two and a half miles northeast of Wilcox. The evening was spent playing games after which a delightful three-course luncheon was served by Miss Maybelle Patterson, assisted by Mrs. Chester Ferguson. The guests included Misses Emma, Nettie, Violet and Josephine Jensen, May Mitchell, Verda and Edna Garrett, Hazel and Maude McComb, May and Paul McGinness, Lesta Babb, Ernest, Beryl and Cleo Mitchell, Sorenus Jensen, Augustus Shell, Roy Gingrich, Frank McComb, George Howard and Robert Patterson, Mr. and Mrs. Chester Ferguson.

On last Thursday the friends and neighbors, to the number of sixty, of Mr. and Mrs. M. P. Gingrich gathered at their home very reluctantly to give them a farewell dinner. About 10 o'clock they began to arrive, very much to the surprise of Mr. and Mrs. Gingrich. They were, however, soon at themselves again, and entertained their visitors in their usual courteous manner. Mr. and Mrs. Gingrich will soon leave for their new home in Valentine valley, Texas. The community deeply regrets their change, but wishes them success and happiness.

Quite a little excitement was occasioned Friday evening when the little boy of John Dooley, living about a half mile northwest of Wilcox, and Lloyd Saxon could not be found. Mr. and Mrs. Dooley had gone to the Saxon home about noon, where Mrs. Dooley stayed while he and Mr. Saxon went to town. About 3 o'clock the little boys, who are each 5 years old, went out to play. The little Saxon boy sold his dog to the Dooley boy for 5 cents, so they concluded they would go to the Dooley home to get the money. They immediately set out on foot to the Dooley home, about three miles distant. As no one saw them leave, the place was searched and the neighbors aroused, when they were finally located about 9 o'clock that night at the home of a neighbor, three miles distant, when they were taken home, and it is safe to say they were not whipped or even scolded.

Wonderful Cough Remedy.

Dr. King's New Discovery is known everywhere as the remedy which will surely stop a cough or cold. D. P. Lawson of Edison, Tenn., writes: "Dr. King's New Discovery is the most wonderful cough, cold and throat and lung medicine I ever sold in my store. It can't be beat. It sells without any trouble at all. It needs no guarantee." This is true, because Dr. King's New Discovery will relieve the most obstinate of coughs and colds. Lung troubles quickly helped by its use. You should keep a bottle in the house at all times for all the members of the family. 50c and \$1.00. All druggists or by mail. H. E. Tuesday Evening Dinner.

Mr. and Mrs. Ralph W. Eversole will entertain at 6 o'clock dinner Tuesday evening. Their guests will be Dr. and Mrs. D. J. Thomas, Mr. and Mrs. F. G. Shoemaker, Mr. and Mrs. Oliver Board.

Sunday Dinner Guests.

Mr. and Mrs. Henry Trullinger of West Twelfth street, entertained at dinner Sunday Mrs. Anna Daniels, Mrs. Verna Murphy, Mr. and Mrs. Loren De Motte and son, Miss Leta Daniels, Kenneth and Ernest Daniels, Glen B. Trullinger and Harry Robey Trullinger. After dinner the company was favored with several vocal duets by Mrs. Murphy and Kenneth Daniels.

Gave a Dance.

Friends and neighbors gathered at the home of Frank Fanning and family and gave a surprise dance Friday night. Music was furnished by Runnells and Williams. Those present were Frank Fanning and family, Mr. and Mrs. Joe Fogar, Mr. and Mrs. Guy Griffith, Ethel Hasty, Marie Sherlock, Clara Taylor, Cecile Fisher, Charley and Henry Hasty, Francis Sherlock and Ray Taylor.

A Demonstration in Soups.

The City Federation of Women's Clubs will hold its regular meeting Wednesday afternoon at 3 o'clock sharp at Price & McNeal's rest rooms. Miss Helen Leffler will conduct a demonstration, her subject being "Soups," and she asks that the members bring their favorite recipes for soups in condensed form. Also pencils and paper, that they may exchange recipes during the informal hour.

Sunday Dinner Guests.

Miss Nettie Miller, daughter of Mr. and Mrs. S. S. Miller, living six miles east of Maryville, entertained the following guests at 12 o'clock dinner Sunday: Miss Lulu Miller of Maryville, Misses Ruth and Daisy Young, May and Kate O'Connell, Mervin Warnick and Dan O'Connell. Music was furnished during the day by Misses Daisy Young and Lulu Miller, and a number of beautiful solos were sung by Dan O'Connell and Mervin Warnick. Also Miss Ruth Young, Miss Nettie Miller and Kate O'Connell gave several beautiful selections, Miss May O'Connell assisting them. Mr. and Mrs. Miller and family will leave soon for their new home, near Bolckow.

Kitchen Shower for Newlyweds.

Mr. and Mrs. Charles Gallagher, who are among the newlyweds in town, were given a kitchen shower Saturday evening by Mrs. Gallagher's friends at the home of her parents, Mr. and Mrs. R. E. Thomas. They received many beautiful gifts, and nearly all the pieces for the kitchen were aluminum. After a delightful evening with music and games a two-course luncheon was served. The guests were Mr. and Mrs. Mitchell Ray, Miss Ethel Ray, Mr. and Mrs. James Craig, Mr. and Mrs. Henry Kelley, Mr. and Mrs. George Lucas, Misses Alma and Virginia Lucas, Miss Babe Wilson, Mr. and Mrs. A. J. Harris, Miss Ursel Harris, John Looker, Polk Looker, Caleb Brogan, Ray Poland, Mrs. John Stundon, John Stundon, Mr. and Mrs. John Gross and son, Mrs. L. J. Hunt, Miss Mabel Hunt, Miss

P. E. O. Meeting.

Members of the P. E. O. chapter assembled Saturday evening at the home of Mrs. W. A. Miller for their regular meeting. Mrs. W. A. Rickenbrode, president of the city federation of women's clubs, attended the meeting and presented some prospective work of the club.

The subject for discussion was, "A Century of Dress." Miss Mabel Todd read a paper on "The Dress of our Grandmothers, 1800 to 1830," which was written by Mrs. Fred Kurtz, who is spending the winter in St. Petersburg, Florida. Mrs. M. G. Tate told of the dress of our mothers, 1830 to 1860, and Mrs. N. C. Covey had the topic, "Our Own Dress." The program was conducted with a parliamentary drill conducted by Miss Fannie Hope and a report by the critic of the evening, Miss Carrie Hopkins.

The chapter will hold its next meeting January 24, with Miss Hopkins and Miss Nell Hudson as hostesses.

Grand Opera Club.

Miss Alma Nash has organized her advanced pupils in mandolin and guitar studies into a grand opera club. Meetings will be had once a month to study the life and character of the composers of grand opera and their music will be studied by the use of the victrola. Miss Nash has records of nearly all of the grand opera stars and they will be used in connection with the study at each meeting. The sextet from Lucia will be taken up at the first meeting to be held Friday, January 23. The advanced class is composed of Lee and Leonard Maier, Frank and Thelma Culverson, Edna, Esther and Martha Dietz, Mr. and Mrs. Charles Gaugh, Gertrude Smith, Dale Thompson, Elizabeth Nash. The students in the beginners' class will have the privilege of attending the club meeting whenever they so desire. They are Lela Maier, Lucile and Eva Beaman, Gladys Culverson, Marie Alden, Grace Dietz.

Married Thirty-Eight Years.

Mr. and Mrs. T. M. S. Weatherman, living five miles northeast of Guilford, were given quite a surprise Monday, when a company including a number of their children and friends came to their home at the noon hour and spread a great feast in honor of their thirty-eight wedding anniversary. They gathered at the home of a son, Carl Weatherman, and all came together at the appointed time. Mr. Weatherman has lived on the farm where he now resides since 1865. The table for the anniversary dinner was arranged for Uncle Tom and his wife and Misses Grace and Della Weatherman, Mr. and Mrs. D. D. Bagley, Effron and Eva Bagley, Mr. and Mrs. Joshua McGeorge, Miss Lucile McGeorge, Mr. and Mrs. John McGeorge, Kesley McGeorge, Mr. and Mrs. J. Q. Weatherman, Carl, Georgia and Alice Weatherman, Mrs. Mary Brittain, Mrs. Miami Martin, George Martin, Mr. and Mrs. Grant Weatherman, Will McGeorge, Ray Holland. Mr. Weatherman's children are all living and are Mrs. Laura Calkins of Wayland, Ia.; James Weatherman of Bridger, Mont.; Grant Weatherman of Clyde; Frank Weatherman of Big Oak Flat, Cal.; Albert Weatherman of Rye Valley, Ore.; Roy Weatherman of Clyde, Mrs. J. WILSON BAGG IN WASHINGTON

President Returns From Southland Greatly Refreshed.

HAS FINE TIME ON GULF COAST

Anti-Trust and Rural Credits Legislation What Executive Wants First. Will Read Message to Congress Next Monday or Tuesday.

Washington, Jan. 13.—President Wilson returned to Washington this morning, ready to take up governmental problems with renewed vigor. He looked physically refreshed by his vacation of nearly three weeks at Pass Christian, Miss., and appeared in better health than at any time since his inauguration.

The president said that he might go to the gulf coast again for a winter vacation. His desire for isolation was courteously observed during his stay there and he was not annoyed by the horde of callers who daily seek him at the White House.

Anti-trust and rural credits legislation are considered of paramount and immediate importance by President Wilson, although the influence of the executive will be exerted in behalf of other measures as well during the present session of congress. This he indicated in a conversation with newspaper correspondents. The president clearly showed that these reforms in particular had been on his mind during vacation at Pass Christian.

Besides sketching his trust message, which will be characteristically brief, Mr. Wilson studied the report of the commission that went abroad to study rural credits. He examined also a bill on the subject prepared by Senator Fletcher, chairman of the commission, and said that he had written the Florida senator asking him to confer with him about it at the White House. The president remarked that the bill seemed sound in the main, although he thought some additions should be made.

Fulfilling Understanding.

In giving his attention to the trust and rural credit questions the president feels that he is carrying out not only the promises made in the party platform, but is fulfilling an informal understanding with members of the senate and house who sought to bring the subject of rural credits into the discussion of the currency bill and to prohibit interlocking directorates and other trust evils by provisions in both the currency and tariff bills.

The president is planning to devote the remainder of the week to consultations with members of his cabinet and leaders in congress and will read his trust message to a joint session next Monday or Tuesday.

The president said that he was unadvised on late developments in the Mexican situation. He seemed somewhat annoyed that Charge O'Shaughnessy should have been drawn into the limelight recently in press reports that the charge was not in harmony with John Lind and the Washington administration.

The president had pointed out previously that when Mr. Lind visited him the work of Charge O'Shaughnessy was mentioned only in the most favorable terms.

NO CLEMENCY FOR TOLMAN

Governor Glynn Refuses to Pardon Loan Shark.

Albany, N. Y., Jan. 13.—Governor Glynn finally refused to pardon D. H. Tolman, the convicted New York money lender.

District Attorney Whitman refused to say that he favored an absolute pardon for Tolman. The governor requires the indorsement of the trial judge and the prosecutor in every case where he exercises clemency.

The governor said the amount of indebtedness which would be canceled by the notes Tolman promised to destroy if released and the number of people who would be benefited would be based on guesswork. Tolman's offer of a bond as a guaranty of his sincerity was worthless, added the governor.

The acceptance of such a proposition would open the way for men of means to procure a pardon that is not open to poor men, he said, "I know of no reason why a millionaire criminal should be treated any differently than a pauper criminal."

Try Man and Wife for Land Frauds.

Kansas City, Jan. 13.—Extensive preparations were made by United States officials for the trial of Don A. Moun Day and his wife, Mrs. L. D. Moun Day, which began in the federal court in Kansas City, Kan. The Moun Days are charged with having misused the mails in connection with a land project in New Mexico.

HEADACHY, COSTIVE, BILIOUS—"CASCARETS"

Sick Headache, Bad Breath, Sour Stomach, Mean Liver and Bowels Are Clogged—Cheer Up!

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.—Advertisement.

Seventy Feet in One Hour.

The ditching for the water mains at Hopkins was commenced Tuesday morning and the work is progressing finely. Seventh feet, four feet in depth, was the work for the first hour. The frost is only down about eight inches and the digging is easy for this time of year.

MI-O-NA QUICKLY INDIGESTION

Do not continue to suffer with heartburn, dizziness, after-dinner distress, headache, biliousness, pain in the bowels or sour and gassy stomach. Get relief at once—buy today—a fifty-cent box of Mi-o-na Tablets. They quickly and surely end indigestion and stomach distress—are perfectly harmless.

There is no long waiting for results—no need to deprive yourself of the food you like best but fear to take because of stomach distress. Eat what you want at any time and take Mi-o-na Tablets.

Do not suffer stomach distress another hour. It is not only needless but may be dangerous—many serious diseases have their origin in the stomach and bowels.

Begin using Mi-o-na—now—at once. Money back if not satisfied. Orea-Henry Drug Co.

PANIC IN SCHOOL ROOM

Principal Seized With Insanity Fit Attacks Pupils.

Parsons, Kan., Jan. 12.—A ward school was thrown into a panic when Frank L. Lewellyn, its principal, suddenly seized with a fit of insanity, attacked a number of his pupils. Eight women teachers were unable to quell the excitement and all the pupils fled. Two officers subdued Mr. Lewellyn and placed him under guard.

One teacher was choked in a struggle with Lewellyn and severely bruised. Lewellyn's attack is believed to have been the result of brooding over trouble caused when he attempted to stop a fight between two school boys last October. He was accused of striking one of the boys and a suit for damages was filed against him.

All accounts due us will be payable at the store on or before February 15, 1914.

TATE BROS.

FOR THE OFFICE AND HOME.

Light Should be Placed so That Cannot Shine into Anybody's Eyes.

Why is the use of glasses so frequent at the present time, as compared with only a few years ago? Perhaps the chief cause is the ignorant or careless adjustment of the light to the reading or working position. This is particularly true in the large modern office, where the chief thought in the arrangement of the desks for clerks and stenographers is economy in floor space. Proper illumination of this work is of secondary importance. Not every desk can be placed by a window, and usually windows will be found only on one side of a room, or at the end, so that ample provision has to be made for artificial lighting. Strong and even illumination is necessary. Desk lamps should be thoroughly screened so that they cannot shine into anybody's eyes. They should be so placed that there is no shadow of the hand or pen on the paper when writing. A frosted globe gives a softer light than the ordinary unfringed globe, and a 16-candle power lamp usually gives sufficient illumination for the ordinary desk work. Too strong a light is just as trying to the eyes as too weak illumination. A north light is the best, being soft and steady. All desks near windows should be so placed that the light comes from the left side. The old rule given for reading and writing, that the light should come obliquely over the left shoulder, well illustrates ordinary requirements. In the modern home the incandescent electric lamps hold first place as an illuminant. They should always, however, be furnished with ground bulbs, or, better, so shaded as greatly to reduce their otherwise very high intrinsic brilliancy. Where the mantle gas burners are used they should always be shaded, both to reduce the brilliancy and to modify the hue of the light, unless some of the recent mantles, giving an amber tone to the light, are available.—American Medical Association.

"What Excitement at Home."

Our child is about to be graduated.

Preparations are being made for a general rejoicing and now you parents are considering the subject of a suitable present to show how you appreciate your child's hard work.

We, again, will help you with a few suggestions, which we know he or she will approve of, and feel amply rewarded for their many hours of hard work. A diamond set in a pretty gold ring would be fine, but if you do not feel so opulent, a watch would doubtlessly give just as much pleasure. We have many other suitable articles, too numerous to mention, and a visit to our store will tell the tale.

Are Shot to Death.

Presidio, Tex., Jan. 13.—Three thousand fugitive soldiers of the Mexican federal army, six generals and 1,500 refugees, who were driven out of Ojinaga, Mex., by General Villa's rebel forces, were put in readiness for a four days' march afoot over the sixty-seven mile road to Marfa, Tex. The soldiers will be interned at Fort Bliss indefinitely.

At Marfa, the nearest railroad station, the federal army which sought asylum in the United States after their defeat, will be guarded by the border patrol pending their final disposition by the war department. Among the civilians are 1,207 women, as officially counted by Major McNamee. They have also 1,000 federal army horses and mules.

Major McNamee sent cavalrymen along the road to select and provision camps at the points where the procession will stop. The food supply will be issued through the army.

The whereabouts of Generals Pascual Orozco and Ynez Salazar, commanders of federal volunteers, who fled from Ojinaga with 700 cavalrymen, was unknown to the rebels.

The arrest of Rafael Flores, Orozco's secretary, on the road between Presidio and Marfa gave rise to the belief that the general was somewhere on this side of the river.

Mutiny Near Mexico City.

Vera Cruz, Jan. 13.—The cutting of the Mexican railway between Esperanza and Maltrata, on the line from Vera Cruz to the capital, was not done by rebels, but by part of a battalion under the command of Colonel De La Llave. The federal troops mutilated and some of them attacked a freight train, from which they obtained a quantity of provisions and other supplies. They then fled to the mountains, after burning the freight train and a number of oil cars. The remainder of the men of the battalion which mutilated at Orizaba have been sent to Mexico City, as the federal government fears there may be further disaffection among them.

Mutinous Federals Shot to Death.

San Diego, Cal., Jan. 13.—Twelve rebellious Mexican soldiers were killed at Ensenada as the result of a quickly suppressed revolt, due, it is said, to the failure of the Mexican government to pay off the troops in Ensenada garrison. The report of the revolt and the death of the twelve men was confirmed in San Diego at the Mexican consulate. It was also stated that conditions in Ensenada now are quiet.

Order of Garrison.

Washington, Jan. 13.—All of the Mexican federal soldiers now in the custody of the United States border patrol forces at Presidio, Tex., will be transferred to Fort Bliss and interned there indefinitely. Secretary Garrison ordered the transfer, with permission for the refugee women and children to accompany the soldiers if they desire.

DRUGGIST HOPF ON TRIALFeeds Three Wives Poison in Order
to Improve Their Looks.

Frankfort on Maine, Jan. 13.—The plea of "not guilty" was entered by Carl Hopf, druggist and fencing master, when brought up for trial charged with killing his two children, his father and his first wife by administering poison and with attempting to commit similar crimes on his second and third wives, and another person.

The accused admitted that he had given a poisonous drug to his three successive wives, ostensibly as a means of improving their looks. His third wife he had also given fever germs, but she escaped death owing to the vigilance of her doctor.

The three women had been insured by the prisoner for \$5,000, \$7,000 and \$20,000, respectively, and each of them fell seriously ill within a year after her marriage.

Two Buildings Buried by Volcano.

Tokyo, Jan. 13.—A series of 350 slight earthquakes shook the town of Kagoshima, at the southern end of the island of Kiusiu. They were followed by the eruption of a volcano on Sakura, a small island in the Gulf of Kagoshima, where two buildings were buried in ashes. The earthquakes continue incessantly and the work of rescuing the inhabitants of Sakura by boats across the intervening three miles of water from Kagoshima is extremely difficult.

Boy Will Be Hanged for Murder.

Washington, Jan. 13.—The supreme court refused to set aside a death sentence of Texas courts on Leon Gar denas Martinez, a sixteen-year-old Mexican, convicted of murdering Miss Emma Brown near Saragossa, Tex. Martinez asked the supreme court to release him because he dared not appeal from the death sentence because of the fear of mob violence.

We are agents for Canada land and are in a position to give information regarding prices and location.

We have land ranging from \$12 to \$25 an acre, with small payments down and easy terms on balance. A wonderful chance for men with limited capital to get a home and be independent.

We have attractive rates to explain to anyone wishing to see these productive farm lands.

Life Insurance.

We have the district agency for the Equitable Life Insurance company of Iowa and would like to have a talk with you before you take out life insurance.

In the Equitable Life of Iowa you get as safe insurance as can be written at the lowest possible net cost to you.

Fire Insurance.

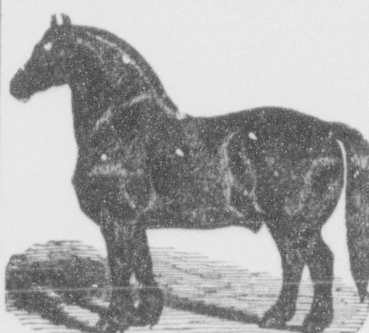

We represent three strong old line companies and would appreciate your fire and tornado insurance.

We have many difficult cases of eye troubles to deal with—optical defects—that only glasses will relieve. You may have had other glasses that did not suit you, and been thoroughly disgusted with them, but that is no reason why you shouldn't take time to get glasses that are worth while. Not any glasses, but ones that are exactly suited to your eyes. Our examinations are thorough and accurate. When will you call?

FARM LOANS made at low rates of interest with most liberal terms as to payments on principal. If you are buying a farm and need part of the purchase money, or have a loan coming due, we shall be pleased to have you call upon us and get our terms.

If you have idle funds we can invest it for you. No better or safer investment than a good first mortgage secured by Northwest Missouri farm land. Such an investment affords you no trouble. We attend to all collections.

Where is There a Place for the Loafer?

The Boston Globe has this heading over a 'long editorial: "Farm no Place for the Loafer."

The editorial goes on to prove the statement made in this heading.

But it needs no proof. It is axiomatic. The farm is a place where industry and intelligence and persistent application yield big dividends, and where laziness and ignorance fail.

But where is there a place for the loafer?

Not in school—because there, as elsewhere, energy and application win the victor's laurels.

Not in the office—for there the husband wins promotion and the loafer gets kicked out because he is in the way.

Not in the shop—for there the steady, faithful, thinking worker gets the best wages and the foremanships and superintendencies.

Not in the store—for there those who study the goods and the business and strive to please patrons win the honors and the rewards.

Not in the law, or in the ministry, or in the school faculty, or on the newspaper—for there, as elsewhere, the loafer soon finds his level, which is the nearest exit.

Then where is there a place for the loafer?

The grave, perhaps; there isn't much going on there but resting—maybe that's the loafer's proper place. No other occurs to us at this moment.
